Indianapolis, Indiana Area

About

I am currently a full-stack JavaScript developer in training at Eleven Fifty Academy. I am seeking a position in Web Development/Software Development that will challenge me and further my coding skills. I enjoy problem-solving, creative thinking, and am very adaptable to any team environment.

Education

Eleven Fifty Academy, Indianapolis, IN - Web Development, January 2020 - April 2020

Ball State University, Muncie, IN - Computer Science, August 2018 - December 2019

Professional Experience

SERVER, BRU BURGER BAR; CARMEL, IN – 2018-2019

- Facilitated interactions with customers to provide the best experience with minimal wait.
- Advanced through every front of house area of work in the restaurant, including busser, host, lead expediter, and server.
- Developed a unique floor plan to maximize efficiency without sacrificing effectiveness.

SHIFT LEADER, VITALITY BOWLS SUPERFOOD CAFE; CARMEL, IN – 2015-2018

- Managed a team of four people and assigned shift positions.
- Balanced and counted all money drawers and cashed out credit card machines.
- Oversaw and excelled in all front and back of house positions.
